The event to raise money for this scholarship will be held on Friday October 21st, 2011 at Artists' Edge In Poulsbo, WA. We hope to raise money for several student scholarships. For example if \$3000 is raised we will be able to help 3 students.

Janet Cramer was a local artist on Bainbridge Island who always loved to help young artists. She would be thrilled to see that her paintings could help art students however possible. Artists' Edge is pleased to work with Nancy & Karen, her daughters, to make sure her life and her artwork are remembered, appreciated, and repurposed to help young artists accomplish their dreams.
